About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About Bharathidasan University

Bharathidasan University, established in 1982 and named after the revolutionary Tamil poet Bharathidasan, promotes academic innovation guided by its motto "We will create a brave new world." Spread across 432.42 acres at Palkalaiperur and a 39.99-acre Khajamalai campus, it houses 4 faculties, 16 schools, and 39 departments offering diverse programmes.

The University Library, established in 1982, functions in a modern building (since 1997) with comprehensive sections including digital and audiovisual services. It holds about 95,000 volumes, 227 print journals, access to 10,000+ e-journals, and 8,500 Springer e-books. Automated with RFID and Koha, it provides advanced ICT-based services.

The Department of Library & Information Science (since 2007–2008) offers integrated MLIS and research programmes, focusing on emerging technologies, industry-oriented training, and strong placement support, preparing students for academic and information sectors.
