About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About University of Jammu

The University of Jammu, established in 1969 under the Kashmir and Jammu Universities Act, is located at the foothills of the Trikuta Hills along the Tawi River. Dedicated to excellence in teaching, research, and knowledge transfer, the University functions as a key research, teaching, affiliating, and examining institution. The Department of Library and Information Science offers a two-year integrated Blib-Mlib programme (from the session 2026-27) and Ph.D. programmes. The Directorate of Internal Quality Assurance (DIQA) promotes total quality management across the institution. The four-storey Dhanvantri Library serves as the academic hub of the campus.
