### SPEAKERS

#### Dr. Kruti Trivedi

Scientist-D (LS) INFLIBNET Centre, Ministry of Education, Government of India

Dr. Kruti Trivedi plays a pivotal role in several key national initiatives, including the Government of India's transformative One Nation One Subscription (ONOS) program, aimed at securing national licenses for e-resources to enhance scholarly content accessibility across India. She is also actively involved in the eShodh Sindhu Consortium, the NLIST project funded by the Ministry of Human Resource Development (MHRD), and the National Institutional Ranking Framework (NIRF) project. At INFLIBNET, Dr. Trivedi leads the bibliometrics team, making substantial contributions to the Centre's research and analytics efforts.

#### Dr. Suchismita Saha

Deputy Editor, WILEY

Suchismita Saha studied chemistry at Jadavpur University (B.Sc. Hons) and IIT Madras (M.Sc.). She completed her Ph.D. in chemistry at the University of Siegen, Germany. She pursued two postdoctoral positions at Leiden University and Ulm University. She later worked in the chemical industry for a year before joining Wiley in 2024 as a Deputy Editor. Currently she is working as a Deputy Editor for Small, Advanced NanoBiomed Research, and Advanced Intelligent Systems. Apart from day to day manuscripts handling she is also responsible for journal development plans, including commissioning, curated special collections, institute visits, conference attendance and others.
